# CAPTAINS CORNER

---

Dear fellow Nomads,

I would like to thank you all for making it possible to serve as your captain. The committee and I will try our best to keep the standards of the club high.

I also want to congratulate our past captain Theo Swart on a wonderful year as captain. Also, a warm welcome to all new members on the committee.

Our main aim this year is to further improve the numbers of our playing field. This is very important for our sponsors but also for allocation of numbers going to national tournaments, and we would like to see more commitment of our fellow members to play our monthly games. Maybe we could look into lift clubs special for our games like Worcester and Hermanus.

Also important to us is continuing our very important role at Golfarama. This is one of our pillars to ensure we can keep our good work for furtherance of golf but also, it's a lot of fun and at the same time you can watch good golf!

Our away tours are also lots of fun and should be experienced by all members, especially our new ones. This is where you will get the feeling of our Boland Gees and make friends all around the country.

A big thanks goes to Mark Afrika and MOTUS Renault Parow, they helped us to be able to hand over a brand-new Renault Tribes to Grootbos Foundation, who are our beneficiary from last year's Andrew Mentis fund raising. I wish Marius a successful year as vice-captain and with his AM fundraising! Marius, you have our full support.

I look forward to seeing you all in Worcester have a safe travel and try to fill up cars. Lift clubs will help a lot so that we can ensure as many players as possible support these further-away clubs.

I wish all the players in the Gary Player knock-out good luck, fair play and I may not play this year, so your chances to win are a bit better. All results must please be sent to Mark Afrika.

For noting, the away tours that I plan to attend this year are:

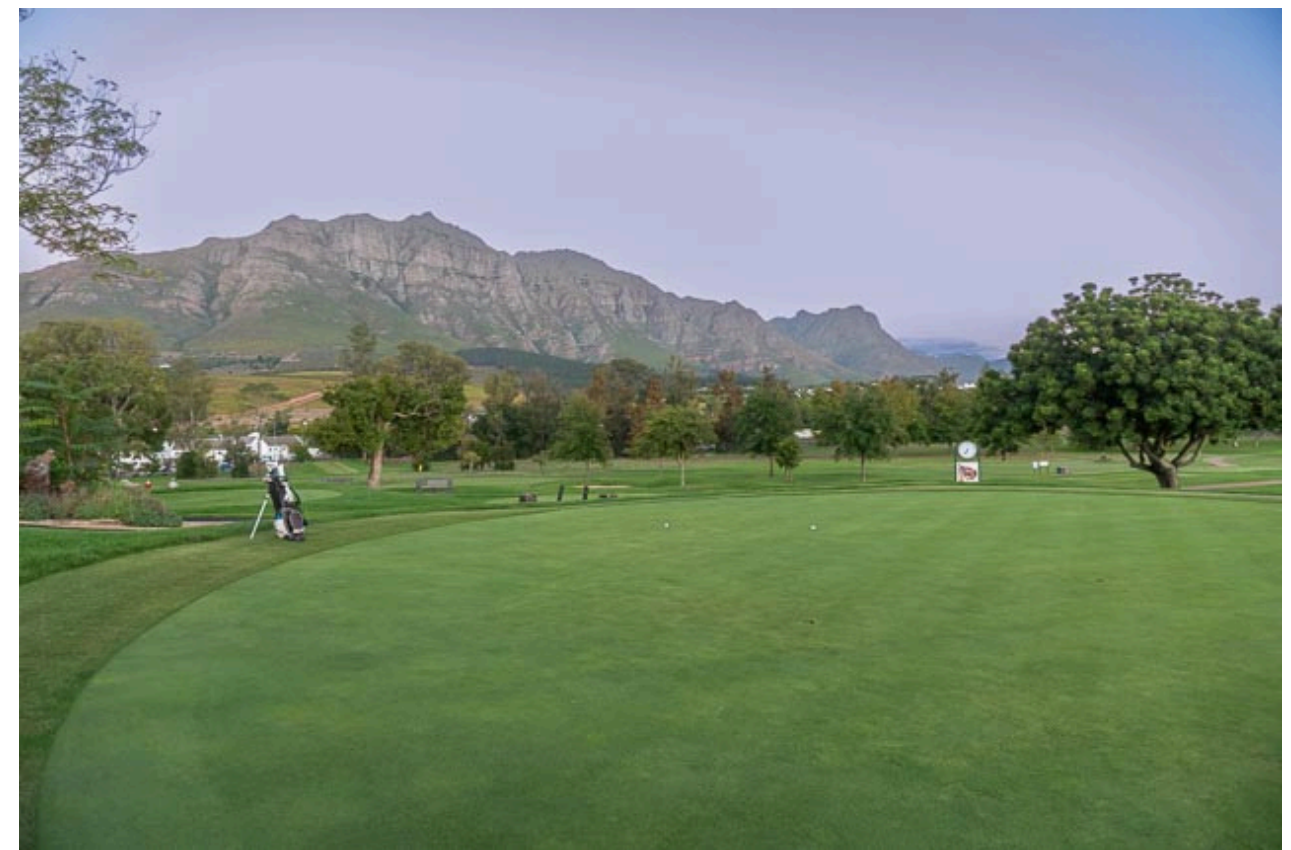

- 14-15 June Border 50<sup>th</sup> anniversary
- 28 June is a 600-game celebration for Jimmy Sales at Benoni lake Golf club
- 8-10 August Seaboard weekend in Mosselbaai
- 18-21 September is Botswana nationals
- 27-28 September 60<sup>th</sup> anniversary Western Province
- 4-5 October will be Veldskoen venue tba
- 16-18 Oktober is Eswatini Nationals -Royal Swazi

I would love it if some of you would join me at the away nationals, please attend our away tours wherever possible, and we look forward to much fun.

Best nomadic greetings

Your captain

Fred Kieks

# A TRIBUTE TO THE JUBILEE NATIONAL'S ORGANISING TEAM – 2025

**Carl Reinders – PRO and Sponsorships**  
**Gary Pnematicatos – Communications and Entertainment**  
**Jacques Retief – Logistics and Catering**  
**Henry de Graaff – Course Management**  
**Johan Visagie and Margie le Roux - Players Administration**  
**Ronnie Kingwill – Financial Management**

As there are 12 Nomads Clubs in SA, each club, in turn, gets to host the Nomads National Tournament annually. After a successful event in 2011 at the Strand Golf Course hosted by Boland, our next turn to host the tournament should have been in 2023.

We did however, only get the opportunity to host in 2025, as there were two neutral club events which were both staged at the Champagne Sports Resort in KZN, one in 2015 (the 50<sup>th</sup> National Tournament) and the other in 2021.

**And host we did!!! the 60<sup>th</sup> National Tournament was aptly named The Jubilee Nationals.**

For an event of this magnitude to succeed, one needs a dedicated, energetic and capable group of people at the helm to make it a very special event. I would like to pay tribute to this special band of Boland Nomads who put two years of planning, organising, effort and time, to host one of the best National Tournaments in the last 60 years.

Two other Boland members also ensured that we kept the home fires burning. National Chairman and Honorary member, Peter Runkel, who played a huge role in ensuring that all protocols were being observed and who gave valuable inputs into the planning and, Boland Honorary member and Commander in Chief of the Green machine, Margie le Roux, who handled and orchestrated the registration process amongst many other functions and who was ably assisted by lovely Tullishe.

Well done and many thanks to all of you. It was a huge honour and privilege to have spent time with you in ensuring that Boland's flag continued to fly high. You have all done Boland Proud!!!

We are now in the process of mopping up and ensuring that all revenue and expenses match each other and auditing the numbers to ensure good corporate governance.

**Many thanks** must also go to all of the local sponsors who contributed to the success of the tournament, without which, the event would not have been the success it was.

**You guys were absolutely great.**
